Retreats for professionals

Surrounding with lush green beauty and prominent trees make this homestay a perfect choice for all nature lovers.

The homestay is adorned with colorful flowers and chirping birds. It offers you to wake up to humming sound of birds around, which is often heard throughout the day.

Adventure seekers can indulge in Exploring the hillocks, forest by foot. You can also simply stroll around the estate enjoying the nature. It is also the right choice of place for relaxing, reading, or simply doing nothing. Ideal for those looking for a quiet holiday away from the noise of Mahabhaleshwar market, this home promises to be your private nook that you'll always want to keep coming back to in every season.

Boasting a comfortable and welcoming dining and living area, you'll even spot several birds around the property, making it feel more like home. This house, adorned with antique wooden

spend every minute of your holiday. There are four large, separate rooms in the house, sharing a common verandah area overlooking the garden on the ground floor and the deck on the first floor overlooking the forest like a carpet. For an authentic, peaceful and exclusive home stay experience Karvi comes highly recommended.

Forest trail Guided
will lead you to a clearing that offers gorgeous unobstructed of views of the entire M'war valley, prior notice to be given to caretaker – Helen's Point; Sulshi Point also there is a plateau point for sunset, not a touristy place, ask Jaywant for details as it's easier to go from the house.

Lamington ride
near the house, where you could visit the strawberry and wild flower farms, if told in advance they can even arrange lunch for you at the farm.

Wilson point
for sunrise is beautiful while sipping on chai.

Polo ground
for horse riding in the mornings.

Mapro Bagicha
place for strawberry shakes,
ice creams , etc is good

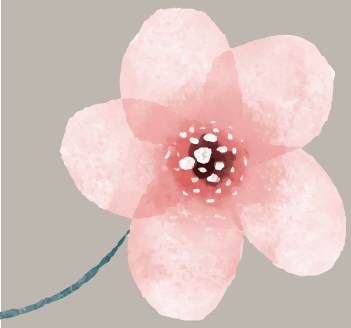

We recommend that every guest go through our site thoroughly in order to check out what facilities are available/ not available at our homestay before making a reservation.

Meals are not included in the package. If you wish to have a home cooked Maharashtrian style meal at the property, the caretaker has to be informed 4 to 5 hours prior.

Our property remains closed from June,as it starts raining in the first week of June. If you further wish to stay, there are consequences with thunderstorms.
Usually we don't recommend to stay, but you if really wish to stay, do let us know. According to the weather and conditions we could probably arrange the same.
